On Catch The Young's social media ahead of the official release, they shared a teaser from the music video that was released today, showing the five members traveling and playing instruments together. With visual elements like bright sunshine, a grassy field, and a lighthouse in front of the ocean, the video for "[이상형 \(Ideal Type\)](#)" captures the pure moments of youth with its cinematic scenes, along with the track's honest and direct message of confession. With this latest single, Catch The Young shares their steadily built presence of being a group that creates and writes music about the magic of youth and dreams.
