Toward Back-to-School Supplies*

DALLAS, TX, UNITED STATES, June 26, 2025 /EINPresswire.com/ -- As the new school year approaches, [Metro-Flow Plumbing](https://www.metroflowplumbing.com) is proud to announce their "Clear the List" Back-to-School Sweepstakes, aimed at supporting the dedicated teachers of the Dallas Area. Four lucky teachers will win a \$500 gift card each to help ease the burden of out-of-pocket classroom expenses.

"Teachers are the backbone of our community, and too often they're expected to go above and beyond without the resources they need," said Denise Romero, owner at Metro-Flow Plumbing. "This campaign is our way of saying thank you. We want to help lighten their load and make sure they feel the support of the Dallas Area community as they gear up for a new school year."

Participants can either nominate themselves or nominate a teacher they admire by completing a short online entry form and sharing why they or their nominee deserve this helping hand. In addition to submitting an entry, participants are encouraged to spread the word and rally their communities. “When people tag teachers or share the sweepstakes online, it helps shine a light on the incredible work educators do every day,” Denise Romero added.

Metro-Flow Plumbing invites local media, schools, and community leaders to help amplify this initiative and support the teachers shaping the future of the Dallas Area.

Why This Matters:

- Texas's average teacher salary is slightly below the national average, which stood at \$71,699 for the 2023-24 school year.
- The average annual salary for a teacher in Texas is around \$60,000
- Many teachers work second jobs to make ends meet. 1 in 6 public school teachers hold another job during the school year (Economic Policy Institute).
- 94% of public school teachers spend their own money on classroom supplies without reimbursement (National Center for Education Statistics).
- On average, a U.S. teacher spends \$560 per year out of pocket. Some spend more than \$1,000 depending on their grade level or school budget.
