

NPL Home Medical Named Winner of The Northeast Ohio Top Worplaces Award

NPL Home Medical specializes in providing high-quality, custom wheelchairs and has been awarded a Top Workplaces 2025 honor by cleveland.com and The Plain Dealer

STRONGSVILLE, OH, UNITED STATES, June 27, 2025 /EINPresswire.com/ -- [NPL](#) Home Medical, a provider of custom wheelchair and mobility solutions, has been named as a winner of the Northeast Ohio Top Workplaces Award, 2025.

The award is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

"Being named a Top Workplace means everything to us because it reflects how our team genuinely feels about the culture we've built," said NPL President and CEO David Haynes. "The mobility solutions we provide can change lives and that sense of purpose fuels a deep commitment across our organization. We work hard to ensure every employee feels supported, empowered, and proud of the impact they make every day. This recognition is a testament to the belief our team has in our mission."

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
