

Cabin Trunk by Pascal Nuzzo Wins Prestigious Golden A' Design Award in Fashion and Travel Accessories Design Category

Innovative Carry-On Luggage Solution Merges Contemporary Design, Functionality, and Sustainability to Redefine Modern Travel

COMO, CO, ITALY, June 27, 2025 /EINPresswire.com/ -- The A' [Design Award](#) and Competition, a highly respected and well-recognized award in the field of accessory design, has announced [Cabin Trunk](#) by [Pascal Nuzzo](#) as the recipient of the prestigious Golden A' Design Award in the Fashion and Travel Accessories Design category. This esteemed recognition highlights the exceptional design, innovation, and impact of Cabin Trunk within the accessory industry.

Cabin Trunk

Cabin Trunk's innovative design aligns with current trends and needs in the travel accessory market, offering a practical and sustainable solution for modern travelers. By combining contemporary aesthetics, functionality, and eco-friendly materials, Cabin Trunk sets a new standard for carry-on luggage, benefiting both users and the industry as a whole.

What sets Cabin Trunk apart is its unique vertical orientation, allowing easy access to belongings on the move. With a simple flip, it transforms into a travel desk, providing a convenient workspace for travelers. In hotels, Cabin Trunk serves as a self-standing piece of furniture, offering organized and accessible storage. Crafted from durable and sustainable materials like flax composite, it is built to last and can be fully repaired by users, eliminating the need for replacement.

This prestigious recognition from the A' Design Award and Competition serves as motivation for Pascal Nuzzo and the Chapoget team to continue pushing the boundaries of design, sustainability, and functionality in the travel accessory industry. By inspiring future designs and influencing industry standards, Cabin Trunk has the potential to reshape the way we travel and interact with our luggage.

Cabin Trunk was designed by a talented team of industry experts, including Thomas Chaperot (CEO), Pascal Nuzzo (CDO), and Lenny Kessler (CFO), who combined their expertise in design, sustainability, and business to create this revolutionary product.
