

GoHighLevel 30-Day Free Trial Best Offer Available via Exclusive Partner Link From Khris Steven of KhrisDigital

GoHighLevel's 30-day free trial is now available exclusively, offering entrepreneurs full CRM and automation access for one month without paying.

DALLAS, TX, UNITED STATES, June 30, 2025 /EINPresswire.com/ --

Entrepreneurs, coaches, and digital marketers seeking an integrated platform for managing client relationships, automating marketing workflows, and scaling operations now have an extended opportunity to try GoHighLevel, thanks to an [exclusive 30-day free trial offered in partnership with KhrisDigital](#).

A promotional graphic for GoHighLevel. It features a dark blue background with the GoHighLevel logo at the top left. In the center, there is a circular portrait of Khris Steven, a smiling man with a beard. To the left of the portrait, the text reads: "Sign up today and enjoy a 30-Day Free Trial!", "Any Friend Of Khris Steven Is A Friend Of Ours!", and "HighLevel has teamed up with Khris Steven to offer you an exclusive promotional trial." Below this text are two green buttons: "Start An Extended Free Trial" and "Already a HighLevel User?". At the bottom, the text "GoHighLevel 30-Day Free Trial" is displayed. The GoHighLevel logo also appears in a smaller circle on the right side of the graphic.

Typically, GoHighLevel extends a 14-day free trial to new users. However, through a special partnership with Khris Steven, founder of KhrisDigital, eligible users can now access a 30-day free trial of GoHighLevel's Starter or Unlimited plans. This partnership is designed to support solopreneurs, digital agencies, and coaches in their efforts to streamline processes and drive growth using one centralized CRM and automation platform.

“

Offering a full 30-day trial gives entrepreneurs a meaningful chance to evaluate GoHighLevel's impact on their operations. It's about removing barriers and letting the software prove its value.”

Anonymous

"Any friend of Khris Steven is a friend of ours," you will find right on the official partner page. "We've teamed up with Khris to give his audience a rare opportunity to explore everything HighLevel offers — risk-free for a whole month." See it here: <https://www.gohighlevel.com/khris-steven>

GoHighLevel has rapidly become a preferred solution among marketers due to its suite of

integrated features, including CRM, pipeline management, email and SMS marketing, appointment scheduling, funnel building, and white-label SaaS functionality. The platform is designed to consolidate various marketing and operational tools into one dashboard, minimizing the need for multiple subscriptions and platforms.

What The 30-Day Free Trial Includes

The extended trial gives users full access to either the Starter or Unlimited plan, which are typically priced at \$97/month and \$297/month, respectively. Unlike basic CRM trials, this offer unlocks the entire suite of GoHighLevel's tools, empowering users to run their entire business from a single dashboard.

Whether you're building funnels, nurturing leads, automating client communication, or managing appointments, every feature is unlocked for 30 days.

Key features available during the trial include:

- CRM System: Manage all your contacts, leads, and client activity in one place with customizable pipelines and tagging.
- Email & SMS Marketing: Set up automated campaigns, drip sequences, and SMS broadcasts with real-time performance analytics.
- Appointment Scheduling: Sync calendars, automate bookings, send reminders, and avoid no-shows with HighLevel's built-in scheduling tools.
- Funnel & Website Builder: Create high-converting landing pages, lead funnels, and entire websites with a drag-and-drop interface — no coding needed.
- Workflow Automations: Build complex automation flows for emails, texts, follow-ups, lead scoring, and more using a visual builder.
- Sales Pipeline Visualization: Track deals and client progress through visual pipelines, from lead capture to closed sale.
- Reputation Management: Request and manage Google reviews automatically, helping boost client visibility and trust.
- White-Label SaaS Mode: (Unlimited Plan only) Rebrand the platform as your own and resell it to clients with your logo, domain, and custom pricing.
- Form & Survey Builder: Collect lead data with smart forms, quizzes, and feedback surveys — fully integrated with your CRM.
- Mobile App Access: Manage leads, campaigns, and conversations on the go using the GoHighLevel mobile app.
- Integrations: Connect to tools like Zapier, Stripe, Zoom, Google Ads, and more with built-in integrations and API access.

New signups via Khris Steven's custom link will also receive bonus onboarding resources to help maximize their use of the platform. No long-term contract is required, and users may cancel at

any time before the trial ends to avoid charges.

Why This HighLevel Extended Trial Offer Stands Out

While GoHighLevel does not currently offer a 60-day trial or lifetime deal, this 30-day access via KhrisDigital is the most extensive free trial available. It provides users with a full month to explore the Agency Pro feature set, which is valued at \$497/month. This includes marketing automation workflows, white-label customization, and unlimited sub-accounts for growing teams.

For existing GoHighLevel users interested in upgrading through this offer, KhrisDigital provides a custom path for accessing exclusive bonuses. A dedicated "Already a HighLevel User?" button on the partner page guides current subscribers to applicable upgrade options.

About Khris Steven and KhrisDigital

Khris Steven is a respected online business strategist, seasoned SEO, funnel expert, and affiliate marketer known for helping hundreds of entrepreneurs and agencies identify the right tools to scale efficiently. His platform, KhrisDigital.com, offers resources, reviews, and strategies focused on marketing automation, funnel building, and affiliate monetization.

The partnership with GoHighLevel is part of Khris's broader mission to democratize access to advanced marketing technologies for solopreneurs and lean teams.

"I've seen firsthand how tools like GoHighLevel transform businesses — from saving hours of manual work to enabling smarter customer engagement," said Khris Steven of KhrisDigital. "Offering my audience a 30-day risk-free window to experience this power was a no-brainer."

How to Sign Up

The 30-day free trial can be activated by visiting KhrisDigital's official GoHighLevel page and completing a short registration form. The process involves providing basic business details and, depending on the plan, may require payment information to be submitted for activation beyond the trial window.

Step-by-Step Sign-Up Process:

- Visit the KhrisDigital GoHighLevel offer page
- Click the "Start Free Trial" button
- Fill in personal and business information
- Choose a plan: Starter or Unlimited
- Complete the sign-up and verify account

- Access the dashboard and explore features

Users are advised to fully explore GoHighLevel's capabilities during the trial, as no further extensions are offered. Cancellation is easy via account settings and should be done before the trial concludes to avoid charges.

Post-Trial Options and Pricing

Upon trial completion, users can continue their plan or downgrade to fit their needs. The current pricing structure includes:

- Starter Plan: \$97/month
- Unlimited Plan: \$297/month
- SaaS Pro Add-On: +\$497/month (optional white-label upgrade)

GoHighLevel also provides a 20% discount on annual plans, offering significant savings for those opting for long-term use.

Customer Support and Resources

Trial users have access to GoHighLevel's full customer support, including live chat, help center documentation, and onboarding tutorials. Additionally, KhrisDigital supplies exclusive resources, including setup guides and training videos, to help users achieve early success. Learn more here - <https://www.gohighlevel.com/khris-steven>

User Benefits and Features Summary:
