Renowned leadership coach and customer service expert Shaine Hobdy is set to release a groundbreaking new book, *Coach to ALIGN – Building Empowered Teams Together*, a transformative leadership guide designed to equip leaders at every level with the tools to create high-performing, emotionally intelligent teams. The book will be available on Amazon in both paperback and hardcover formats this month.

Drawing on over four decades of experience with world-class organizations like Walt Disney World, Ritz-Carlton, and jetBlue Airways, Hobdy introduces the [ALIGN Coaching Model](#), a dynamic, people-first approach to leadership. “At its core, leadership is about connection,” says Hobdy. “This book is a practical roadmap for leaders who want to understand their teams better, communicate more effectively, and develop talent through empathy and strategy.”

*Coach to ALIGN* stands out with its deep focus on individual personality types—Feelers, Thinkers, Controllers, and Entertainers—and teaches leaders how to flex their own personality to coach and lead effectively across these styles. The book also includes customizable tools like the ALIGN Coaching Roadmap and On-the-Spot ALIGNment (OTSA) Form, giving readers actionable
