“

We're thrilled to bring our passion for creating magical holiday experiences to Austin. Our Christmas light installation services are designed to take the stress out of holiday decorating.”

Cameron Swihart, Owner

Lights Up Austin specializes in comprehensive Christmas displays, offering options beyond the traditional custom holiday lighting solutions like lit wreaths, pathway lighting, and lit garland. They provide digital mockups that show how they can transform homes and commercial spaces into winter wonderlands, but that's not what sets them apart. They pride themselves on providing unmatched customer service and a worry-free guarantee. That means Austin homeowners and business owners never have to worry about ladders, extension cords, or storage

containers. If anything goes wrong with any of the holiday decorating, they will come out and fix the issue, free of charge.

"We're thrilled to bring our passion for creating magical holiday experiences to Austin," said Cameron Swihart, owner of Lights Up Austin. "Our Christmas light installation services are designed to take the stress out of holiday decorating while delivering stunning results that neighbors will admire all season long."
