Pocket Size

The WURKKOS HD03 is in pocket size—fitting effortlessly in your palm and weighing just 49 grams (battery included). Whether used for everyday carry, outdoor exploration, or emergency backup, it offers quick access and reliable performance in a minimal footprint.

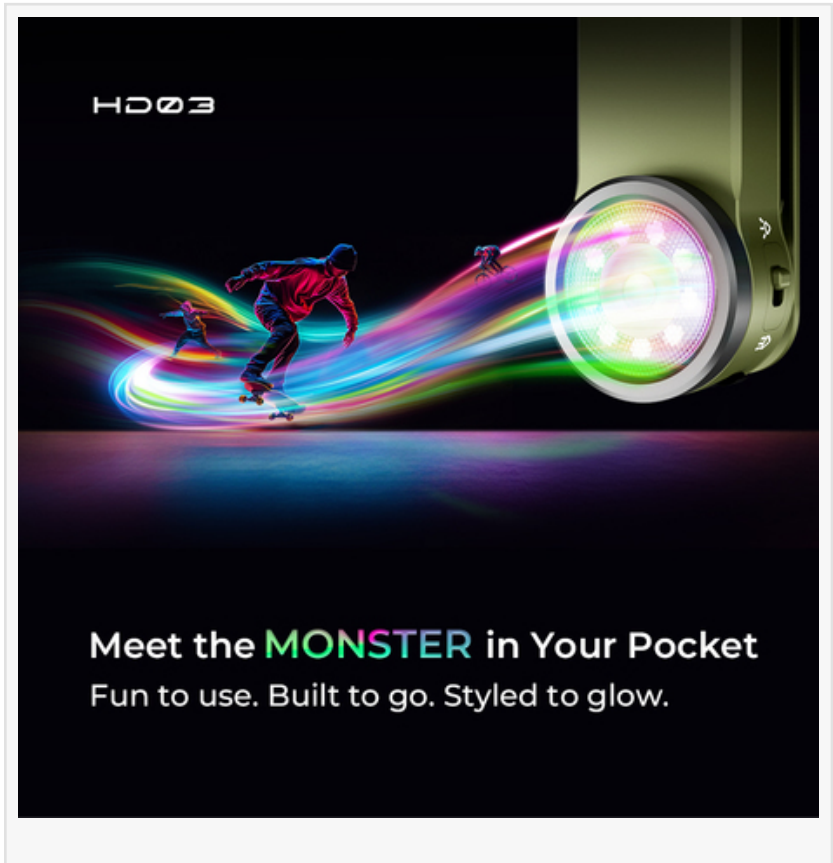

MONSTER-Level Brightness & Performance

Boasting a MONSTER level of brightness, the HD03 delivers up to 680 lumens with a beam throw reaching up to 180 meters. It supports both spot and flood lighting modes:

- Spotlight mode: 680 lumens with up to 36 hours runtime
- Floodlight mode: 87° ultra-wide beam angle for full-scene coverage

Ingenious MONSTER Design

The design of the HD03 is inspired by a bold “big-eyed” aesthetic, adding fun to your gear. Its streamlined silhouette balances playful character with high performance, making it a standout for users who expect both style and substance in their everyday gear.

20+ Dynamic RGB Modes

The HD03 is equipped with over 20 RGB lighting modes, including:

- Full-Color Stepless Gradient Dimming
- 20+ RGB Color Modes Switch (13 single colors + 7 dynamic lighting effects)

The intuitive interface enables real-time customization without requiring an app. The HD03 supports everything from night shoots to party ambiance and mood lighting.

Three Mounting Options

The HD03 offers 3 compatible carry options for various scenarios:

Magnetic attraction, clip-on, lanyard loop. This clip light can be effortlessly clipped, hung, or attached. Enjoy hands-free convenience in a powerful light.

Availability & Pricing

The HD03 will be available for pre-order at a special price of \$16.91 (45% off the retail price \$30.75) from July 2nd to July 7th, 2025. Six days only, exclusively on the WURKKOS official website for the first time.
