

Tulsa Rehabilitation Hospital Announces New CEO

*Dawn Watts, BSN, MBA, RN, Appointed
Chief Executive Officer*

TULSA, OK, UNITED STATES, July 1, 2025 /EINPresswire.com/ -- With over three decades in healthcare, Dawn has clinical and operational experience across most sites of care, including rehabilitation hospitals, acute care hospitals, and sub-acute care facilities. Her foundational career began in nursing, which later evolved into Chief Nursing Officer roles both locally and regionally, where she directed nursing care and case management functions, as well as achieved accreditations for both Parkinson's and Stroke for one of the hospitals.

Dawn Watts, Chief Executive Officer

"We welcome Dawn's leadership at Tulsa Rehabilitation Hospital. Her expertise in employee engagement and passion for patient-centered care are vital to our high-quality rehabilitation services for the Tulsa community," said Chris Bergh, COO of Nobis Rehab Partners.

“

We welcome Dawn's leadership. Her expertise in employee engagement and passion for patient-centered care are vital to our high-quality rehabilitation services for the Tulsa community"

*Chris Bergh, Nobis Rehab
Partners Chief Operating
Officer*

Dawn most recently served for 10 years as CEO at a rehabilitation hospital, where she received several awards for employee engagement and financial performance during her leadership. She also served as a valued mentor and preceptor for other CEOs in her region. Dawn has a Bachelor of Nursing and a Master of Business Administration with a focus on Nursing Leadership.

About Tulsa Rehabilitation Hospital

40-bed inpatient rehabilitation hospital, a Joint Venture with [Saint Francis](#) Health System, located at 7909 South 101st East Avenue, with a motivated rehab hospital team that provides
