TORONTO, ONTARIO, CANADA, June 30, 2025 /EINPresswire.com/ -- Starting in the owner's parents' backyard in 1988, one man's passion has grown into a thriving 14,000 square foot facility in the largest city in Canada. Today, the business is powered by a team of dedicated Jeep enthusiasts who, in their own words, "breathe, eat, and sleep Jeep."

"It all started in my parents' backyard," said Jerry Dadoun, Founder and Owner of JustJeeps. "I was just a Jeep guy with a few parts. Today, we operate out of the largest warehouses in Canada with unmatched Jeep knowledge, from CJ to JL, and a loyal customer base across the country. We are the most understanding company when it comes to the brand of Jeep."

JustJeeps plans to continue growing its presence in the market while keeping essential restoration products in stock and providing real-world advice to help every Jeep owner across Canada get their vehicle in perfect condition.
