

# Anywhere Pickleball LLC and Ukrainian Pickleball Federation Forge Historic Alliance to Advance Pickleball Across Ukraine

*Partnership sparks an international movement connecting U.S. and Ukrainian players to grow pickleball and inspire resilience through play in Ukraine.*

SAN DIEGO, CA, UNITED STATES, July 1, 2025 /EINPresswire.com/ -- Kyiv, Ukraine & San Diego, CA, USA — July 1, 2025

The [Ukrainian Pickleball Federation](#) (UPF) and California-based [Anywhere Pickleball LLC](#) have launched a first-of-its-kind partnership to bring the sport of pickleball to more communities across Ukraine. This marks the first official alliance between a U.S. pickleball brand and a national federation in Eastern Europe.

Ukrainian players—including adaptive athletes—take the court in a local pickleball session. Moments like these inspired the new partnership between Anywhere Pickleball and UPF.

The partnership, formalized last month through a Partnership & Support Agreement, positions Anywhere Pickleball as the first American company to directly support UPF's mission of nationwide growth and accessibility for the sport.

“

This partnership with Anywhere Pickleball marks an important first step in bringing lasting growth, unity, and healing through pickleball to communities across Ukraine.”

Federation*

“Pickleball is more than a game—it’s a catalyst for community, resilience, and hope,” said Volodymyr Svirskyi, President of the Ukrainian Pickleball Federation. Anna Glotova, UPF’s Director of Strategic Partnership, added, “At a time when unity and well-being are vital, pickleball offers Ukrainians a chance to reconnect, heal, and rediscover joy through play.”

Immediate Impact: Equipment and Opportunity

The partnership's first phase has already delivered paddles, nets, and portable court tools to Ukrainian cities including Kyiv, Lviv, Odessa, and Rivne. These resources are fueling local play sessions, youth initiatives, and adaptive sports programs—bringing the joy of pickleball to communities deeply affected by conflict.

### Looking Ahead: “Pickleball Anywhere—Next Stop Ukraine”

The next stage will launch “[Pickleball Anywhere: Next Stop Ukraine](#)”—a dynamic campaign linking U.S. and Ukrainian players through paddle donations, shared stories, and purpose-driven play. Full campaign details will be announced soon.

“We are honored to stand with the Ukrainian Pickleball Federation at this pivotal moment,” said Angus Wong, CEO of Anywhere Pickleball LLC. “Pickleball enthusiasts worldwide are united by compassion and community spirit. Through this partnership, we invite the U.S. pickleball family to help shape the sport’s future in Ukraine and build lasting bridges of friendship.”

### About the Ukrainian Pickleball Federation (UPF)

UPF is Ukraine’s national governing body for pickleball and the 60th member of the Global Pickleball Federation, dedicated to fostering the sport’s growth, accessibility, and positive impact nationwide.
