

C. Brooks Paving Opens New Operations Hub in Bulverde, TX

BULVERDE, TX, UNITED STATES, July 3, 2025 /EINPresswire.com/ -- [C. Brooks Paving](#), a respected name in professional paving solutions throughout Central Texas, is proud to announce the expansion of its operations to a location in Bulverde, TX & Across the Hill Country. The move marks a significant milestone for the company as it continues to grow its presence in the Texas Hill Country, offering a full suite of high quality asphalt paving, [tar-and-chip](#), [sealcoating](#), and site-preparation services to both residential and commercial clients.

The new site, located at 480 Old Boerne Rd, Bulverde, TX 78163, serves as a strategic addition to the company's operational footprint and strengthens its ability to serve the greater San Antonio, Spring Branch, and Comal County regions with faster response times and localized expertise.

"Expanding to Bulverde allows us to better serve the communities we've been working with for over a decade," said Courtnay J. Brooks Jr., founder and owner of C. Brooks Paving. "We've built our reputation on quality, transparency, and hard work. Now, with a dedicated local base in Bulverde, we're bringing those same values even closer to home."

A Legacy of Excellence in Texas Paving

Founded in 2010, C. Brooks Paving has grown from a small, family run business into one of Central Texas's most reliable names in paving. The company specializes in a variety of surface solutions, including:

- Tar-and-chip roadways and driveways
- Hot mix asphalt paving
- Sealcoating and striping
- Parking lot resurfacing and repairs
- Subdivision and ranch road construction

More information on their excavation and grading work is available at:

Their expansion into Bulverde reflects increased demand from homeowners' associations, developers, ranch owners, and municipalities across the region for durable, cost-effective paving options that hold up to Texas weather and terrain.

Local Impact and Job Creation

With the opening of the Bulverde location, C. Brooks Paving plans to hire additional crew members, equipment operators, and project managers, creating job opportunities for skilled tradespeople in the local area.

"We're proud to invest in the local economy, not just through the work we do, but by creating quality jobs," Brooks added. "Our crews are the backbone of our business, and this expansion gives us the space and capacity to grow that team."

Committed to Sustainable Practices

C. Brooks Paving is also bringing its environmentally responsible practices to the Hill Country. The company prioritizes the use of recycled asphalt materials when possible, reduces excess waste, and ensures that projects are completed with minimal disruption to surrounding landscapes.

In addition to their on-site work, the team regularly educates customers on the benefits of tar-

and-chip paving — a low-maintenance, budget-friendly alternative to traditional blacktop that blends well with rural and suburban aesthetics.

Now Booking Fall 2025 Projects

With the Bulverde location officially open, the company is now accepting bookings for residential and commercial paving projects for the late summer and fall 2025 season. Clients can request free on-site estimates by calling (210) 326-5707 or visiting www.cbrookspaving.com.

To celebrate the opening, C. Brooks Paving is offering discounted pricing on sealcoating and tar-and-chip installations through September 15, 2025.

About C. Brooks Paving

Founded in 2010, C. Brooks Paving is a Central Texas-based paving contractor specializing in tar-and-chip, asphalt paving, sealcoating, and site-prep solutions. The company is known for its customer-focused approach, transparent pricing, and reliable service. C.
