

# Ship A Car, Inc. Now Offers Live Vehicle Tracking — Available Upon Request

*Now offering live vehicle tracking upon request—Ship A Car, Inc. gives customers real-time shipping updates for added peace of mind.*

CORAL SPRINGS, FL, UNITED STATES, July 1, 2025 /EINPresswire.com/ -- Ship A Car, Inc., a nationwide leader in vehicle transport services, is excited to announce the launch of its new Live Tracking System, now available to customers upon request. This optional service allows clients to track their vehicle in real time throughout its entire transport journey at no extra cost.

With this feature, Ship A Car, Inc. continues to raise the bar for customer experience in the [auto transport](#) industry. The live tracking system offers peace of mind to those who want up-to-the-minute updates and enhanced visibility — all accessible via phone, tablet, or desktop.

Ship A Car, Inc. recognizes the growing demand for greater transparency and control in vehicle transport. By offering live tracking upon request, the company empowers customers to stay fully informed from pickup to delivery—without compromising on simplicity or affordability.

“

Live tracking gives our customers peace of mind by keeping them informed every step of the way.”

*Ship A Car, Inc.*

Live tracking includes:

- GPS-based real-time location updates
- Estimated time of arrival (ETA)
- Easy-to-use map interface

Customers can request live tracking when booking their

vehicle shipment. This service is available for most vehicle transport types and routes.

To request live tracking for your next vehicle shipment or to learn more about our nationwide car shipping services, visit [www.shipacarinc.com](http://www.shipacarinc.com) or call (866) 821-4555.
