The Global Whisky Challenge seeks to establish a standard of excellence in whisky production around the world, allowing distillers of all sizes and from every location to compete on a global scale. Winning this esteemed competition can enhance a brand's marketing efforts and overall reputation. Judges carefully assess whiskies across three different regions of the world. The top winners undergo a final round of testing, where those with the highest scores are re-evaluated.

Winners Receive:

- Physical Die-Cast Medals
- Downloadable Digital Medals (Free)
- Actual Scores Provided (100pts)
- Judges' tasting notes provided upon request
- "Best of Show" winners receive stunning, crystal-globe sculptured trophies (\$300 to \$1,500 value) and valuable media coverage in Wine Country International Magazine.

A seasoned team of U.S. and International spirits judges with more than 215 years of whisky tasting taste whiskies double-blind, scoring products based on 100 points using a proprietary rating system. The competition exclusively uses the NEAT™ professional spirits evaluation glass to highlight the true character and assess the quality of every spirit.

The 2nd Annual Global Whisky Challenge occurs from September 6 to 8, 2025.
