The Changing Face of Holiday Entertaining

"Hosting shouldn't mean working," says Kelly Lyles Verstappen, co-founder of Chef2Nite. "We've built Chef2Nite to help people elevate their gatherings, allowing them to enjoy the event rather than be stuck in the kitchen. Whether it's a small family get-together or a larger gathering, our platform makes it easier to experience gourmet dining at home."

Chef2Nite is part of a larger trend toward elevated home dining experiences, where consumers

are opting for [private chefs](#) and customized meal plans instead of traditional catering. This movement reflects a growing desire for unique and personalized holiday experiences, with 55% of consumers seeking new ways to celebrate in 2025.

Personalized Dining, Tailored to Every Host

Chef2Nite's service connects hosts with top-tier chefs who craft personalized menus based on dietary preferences, event size, and the desired ambiance. The platform handles all aspects of the meal preparation from sourcing ingredients to cooking and cleaning ensuring that hosts can focus on spending quality time with their guests.

The platform also offers a diverse menu for 4th of July celebrations, including:

- Corn and Heirloom Tomato Salad with Basil Vinaigrette and Truffle Oil

- Crispy Duck Confit Sliders with Fig Jam

- Raspberry Panna Cotta with Champagne Gelée and Gold Leaf

"Chef2Nite provides a simple, luxurious way to make holiday celebrations more enjoyable," says Verstappen. "We're part of the shift toward a more relaxed, personalized way of entertaining that aligns with today's demand for convenience and quality."

A Solution for Every Host

With private chefs booking fast for the 4th of July, Chef2Nite is encouraging hosts to secure their chefs early. The company is offering a \$25 discount on 4th of July bookings with the promo code [JULY25](#), valid all through July.

Chef2Nite was founded by Kelly and Ron Verstappen with the goal of providing flexible, high-quality dining experiences at home. From customized menus to expert chefs and seamless event execution, the platform offers a premium service that accommodates various dietary needs and budgets.
