Through meals, supplies, and meaningful engagement, EBC Financial Group strengthens its mission of growing together with society.

THAILAND, July 2, 2025

/EINPresswire.com/ -- As part of its mission to foster a more compassionate and inclusive society, [EBC Financial Group \(EBC\)](#) donated essential supplies and provided meals to children at the Foundation for Slum Child Care (Baan Som Wai) in the Klong Toey community on June 28, 2025. This initiative reflects EBC's ongoing commitment to social responsibility and its goal of creating long-term, positive change in the lives of underprivileged children in Bangkok, where an estimated 1.5 million people—nearly 30% of the city's population—live in informal settlements or slum communities, with Klong Toey being the largest and most densely populated.

EBC Financial Group employees share smiles and meaningful moments with children at the Foundation for Slum Child Care in Klong Toey, following a day of donations and shared meals.

EBC Financial Group Joins in Building a Better Social Foundation

This outreach forms part of EBC Financial Group's ongoing social responsibility efforts to share happiness and support the wellbeing of infants aged 3 months to 5 years under the care of the Foundation. Located in one of Bangkok's largest and most densely populated slum communities, Klong Toey is home to many low-income families grappling with economic hardship, social instability, and drug-related challenges.

EBC's Thailand team worked together to provide essential supplies such as eggs, fruits, ATK test kits, soy sauce, seasonings, tissue paper, alcohol sanitizer, and monetary contributions to fund dinner for more than 55 children. These donations are vital for ensuring proper nutrition, hygiene, and care during the early stages of the children's development.

Heartfelt Appreciation from the Foundation

Arisa Wongcharoenyong, Head Caregiver at the Infant Care Center of the Foundation for Slum Child Care, expressed her gratitude to EBC Financial Group for their contributions. She also acknowledged the Foundation's recent milestone—its 44th anniversary, celebrated on June 22, 2025.

The Foundation serves as a second home for children born and raised in the Klong Toey community, offering essential physical and emotional care in an environment where neglect and hardship are prevalent. Operating as a day care center for families facing difficulties, the Foundation eases the burden of childcare for struggling parents. The donated supplies significantly support the staff in carrying out their mission.

"In a world that feels complex and challenging, the Foundation for Slum Child Care remains a warm and safe second home for the children. On behalf of the Foundation, I sincerely thank EBC Financial Group for bringing love and easing our burdens. This support is not only about the supplies, but also a great encouragement for the children and our entire team. I wish all EBC employees good health and much happiness," said Arisa.
