

# NLMJ Technologies LLC Partners with ELD Mandate to Deliver ELD, HOS, GPS Fleet Tracking & AI Dashcam Solutions

*NLMJ Technologies LLC, a Dallas-based innovator in fleet management technology, is proud to announce a strategic partnership with ELD Mandate.*

DALLAS, TX, UNITED STATES, July 7, 2025 /EINPresswire.com/ -- NLMJ Technologies LLC, a Dallas-based innovator in fleet management technology, is proud to announce a strategic partnership with ELD Mandate, a nationally recognized provider of [FMCSA-compliant](#) electronic logging devices (ELDs) and [GPS tracking systems](#). Together, the companies are launching a cutting-edge, all-in-one fleet telematics solution tailored to meet the growing compliance, safety, and tracking demands of transportation and service businesses across the Dallas-Fort Worth Metroplex.

Businesses operating in Dallas, Fort Worth, Arlington, Plano, Irving, Grand Prairie, and surrounding DFW cities now have access to a fully integrated fleet management platform offering:

- FMCSA-certified electronic logging devices (ELDs)
- Real-time GPS fleet tracking in Dallas/Fort Worth
- AI-powered live streaming dashcams with event detection

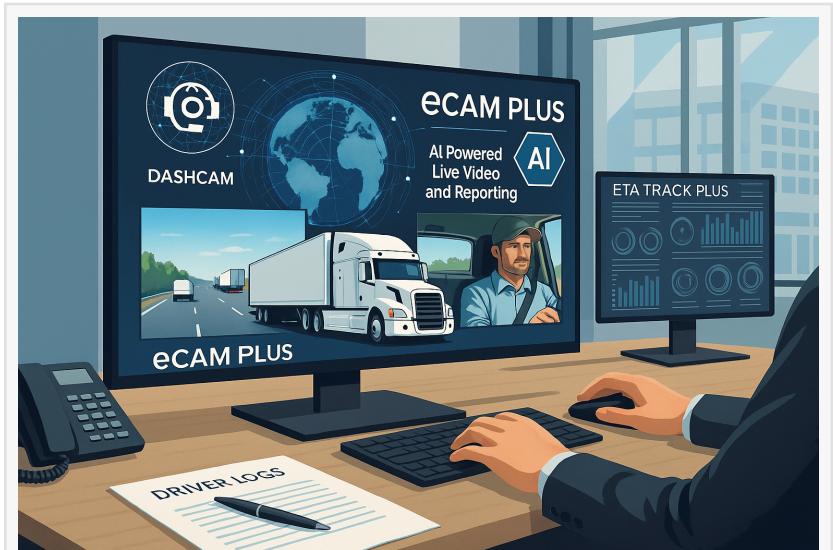

ETA Track Plus - Fleet Management Solutions

A comprehensive GPS fleet tracking system

- Driver HOS logbook compliance tools
- Smart Trip Reports powered by AI analytics
- Mobile app access for iOS and Android devices
- Back-office dashboard for log edits, reports, and alerts
- Plug-and-play GPS and ECM/OBD-II hardware
- 24/7 bilingual (English/Spanish) customer support

eCam Plus - Protect Your Fleet

### AI Fleet Dashcam + Smart HOS Logs for Safer Texas Roads

The enhanced solution includes AI-powered Smart Trip Reporting and live driver video monitoring, enabling fleet managers to detect unsafe behavior, retrieve road-view evidence in real time, and automate compliance tasks. These tools support driver coaching, reduce liability, and ensure FMCSA HOS regulations are met with minimal manual input.

### Fleet Tracking and Compliance Services for Every Industry in DFW

NLMJ Technologies supports a wide range of businesses throughout North Texas with flexible, scalable fleet solutions ideal for:

- Commercial trucking and transportation companies
- HVAC, plumbing, and electrical service fleets
- Delivery and final-mile logistics providers
- Construction and heavy equipment operators
- School transportation and municipal agencies

"Our expanded platform now includes [AI dashcams](#) with live streaming video, smart driver logs, and real-time GPS-backed by local service and support right here in Dallas," said Michele Ferguson, CEO of NLMJ Technologies LLC. "We're committed to helping DFW businesses stay safe, compliant, and connected."

### Search for Dallas ELD, GPS Tracking & AI Dashcam Services

If you're searching for:

- Fleet GPS tracking in Dallas
- ELD driver logs and HOS solutions in Fort Worth
- AI-powered dashcam systems for trucks
- Real-time fleet video monitoring in Texas
- Fleet compliance services for service and delivery vehicles

...NLMJ Technologies is your trusted local provider.
