The PDO Thread Lift is often referred to as the "30 Minute Lift", "Lunch Hour Lift", or "Nonsurgical Face Lift", due to its fast and effective results with little to no recovery time. This treatment uses dissolvable sutures (PDO threads) to instantly lift and tighten sagging skin while stimulating natural collagen production for longer-term rejuvenation.

DermAlign offers PDO Thread Lifting for:

- Instant Brow Lift
- Neck Lift
- Mid Face Lift
- Lower Face Lift
- Ponytail Lift
- V Lift
- Full Face PDO Thread Lift
- And more ideal for complete facial balancing.

“Our goal is to provide patients with advanced, safe, and natural-looking results that enhance their confidence,” said Ekata Rushi, PA-C. “PDO Thread Lifting is perfect for clients seeking fast, subtle, and effective facial rejuvenation without surgery.”

Conveniently located in Langhorne, Pennsylvania, USA, DermAlign Medical Aesthetics invites new and returning patients to schedule a complimentary consultation and explore whether the PDO Thread Lift is right for them.
