## Community Partnership and Social Responsibility

Caprinos Pizza demonstrates its commitment to community welfare through its groundbreaking partnership with Lucy Air Ambulance for Children (Lia's Wings), making it the first official corporate partner of this vital UK charity. The organisation provides emergency air transfers for critically ill babies and children across the country, often in life-or-death situations where time is crucial.

Since establishing this partnership in March 2022, Caprinos has raised an impressive £14,400 through various fundraising initiatives including customer donation roundups, staff-organised raffles, and targeted fundraising campaigns. This contribution is sufficient to fund at least one complete life-saving air transfer, directly supporting families during their most challenging moments.

"Our partnership with Lia's Wings reflects our core values of community support and making a positive difference beyond just serving great food," added the spokesperson. "Every pizza sold contributes to a cause that genuinely saves young lives."

## Rapid National Expansion and Growth Strategy

### About Caprinos Pizza UK:

Founded in 2014 in Didcot, Oxfordshire, Caprinos has experienced remarkable growth over the past decade. Following successful expansion through key markets including Aylesbury, various Northamptonshire locations, and strategic urban centres, the brand now operates over 100 branches nationwide.

Recent expansion highlights include successful launches in high-profile locations such as Cambridge, Watford, East Sheen, Kettering, and Gloucester, each tailored to serve local community preferences while maintaining brand consistency.

### Future Growth Plans:

- \* Aggressive expansion strategy targeting 20+ new site openings in 2025
- \* Strategic goal to reach 200 operational locations by 2030
- \* Focus on university towns, suburban family areas, and urban centres with late-night dining demand
- \* Continued investment in technology, staff training, and supply chain optimisation

## Serving Nottingham's Diverse Community

The Nottingham City location has been specifically designed to serve the area's diverse demographic, from young professionals in the city centre to families in surrounding residential areas. As one of the leading pizza Nottingham destinations, the restaurant's halal certification ensures accessibility for Muslim customers, while the extensive menu caters to various dietary preferences and requirements.

With Nottingham's significant student population and thriving nightlife, the extended opening hours until 2 AM position Caprinos as an essential dining option for the local community.
