Boys & Girls Clubs of Northeast Ohio provide essential afterschool programming throughout the region, offering youth ages 6-18 homework help, mentorship, and life skills development. The organization serves as an afterschool sanctuary, focusing on academic achievement, healthy lifestyles, and character development, with caring adult mentors providing guidance in a safe environment.

The results are impressive: 97% of Club teens expect to graduate from high school, and 76% of low-income members ages 12-18 earn mostly A's and B's—compared to 67% nationally. Additionally, 52% of 12th grade Club members express interest in STEM careers, nearly double the national average of 27%.

"We're proud to support Boys & Girls Clubs of Northeast Ohio through our NP4CLE program," said Jeffrey M. Heller, partner at Nureenberg Paris. "Their dedication to creating opportunities for young people makes a lasting difference in our community."
