they feel and how they function," said Dr. Vincent C. Bubolo, CEO and Founder of Bubolo Medical. "We're excited to serve a larger community with a higher level of care."

The Marietta clinic will mirror the services available at Bubolo Medical's Acworth location, offering customized

treatment plans to address the root causes of fatigue, weight gain, hormonal imbalance, and signs of aging. Available treatments include [medical weight loss](#), bioidentical hormone replacement therapy for both men and women, hair restoration solutions, skin rejuvenation procedures, and membership-based preventive care.

Located near Marietta Square, the new clinic is designed for both convenience and discretion, with interior access, on-site parking, and extended hours to accommodate busy schedules. Online scheduling will be available, and same-day consultations are expected to be offered.

The new location will serve residents throughout Cobb County, including East Cobb, Smyrna, Vinings, and surrounding areas.
