Book Envy Reviews

Yes, that's the cover of Have a Safe Summer! you're seeing. And no, this isn't a children's book. Made you look.

After stunning thousands of readers during its free Kindle launch, Virgin Clueless returns to center stage—this time with all the heat, heartbreak, and addictive twists that landed it in countless Kindle Unlimited queues around the world.

The novel follows Zoey Leary, a 32-year-old hacker attorney who becomes obsessed with the one man she's not supposed to want: Dillon Race, the ripped 18-year-old millionaire who saved her best friend—a female cop—during a violent ambush. Obsession sparks. Desire builds. Secrets explode. And one lifetime friendship begins to unravel.

“I wanted to write a love story that breaks every rule,” says Becker. “The kind that makes you question your limits—and then blow past them.”

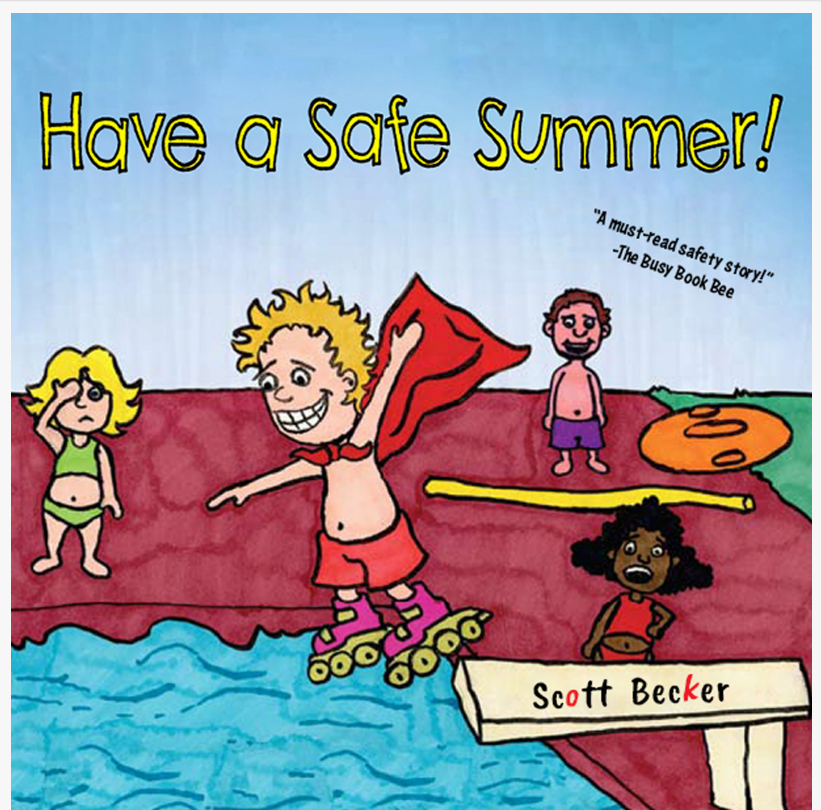

Packed with pulse-pounding suspense, scandal, and a touch of the paranormal, Virgin Clueless isn't your typical summer read. But for romance lovers who crave it bold, off-limits, and unforgettable—it just might be perfect.

Availability:

Virgin Clueless will be only 99¢ from July 24–26 as part of Amazon's Kindle Countdown Deal, then increase in price throughout the week. Free with Kindle Unlimited.

For readers looking to indulge in their next guilty pleasure, Virgin Clueless delivers—at a price that's nearly criminal.
