This free 30-minute Zoom session will bring together seasoned leaders in cybersecurity, compliance, and defense procurement to help federal contractors navigate the rapidly evolving CMMC landscape.

□ Featured Speakers:

Francis Schmuff, CEO of Cyber Defense Advisors, is a former DoD cybersecurity strategist with two decades of experience securing federal and defense systems.

“CMMC is not merely a compliance exercise—it’s a matter of mission readiness. Organizations that take proactive steps today will be well-positioned to succeed and lead in the defense ecosystem.”

Bryan Siegel, Director of Compliance at CDA, helped shape the original CMMC model during his time advising on federal cybersecurity frameworks.

“I’ve seen the model from both sides—government and industry. What contractors need now is clarity and a roadmap. That’s what we’ll deliver.”

Morgan Kaplan, Director of Government Strategy at Vanta, leads compliance efforts across federal-facing organizations.

“CMMC isn’t optional anymore. We’re helping GovCon companies scale compliance without drowning in paperwork or cost.”
