

This July, Tom Jackobs Empowers Heart-Led Professionals to Sell With Freedom and Integrity

As Independence Day approaches, a sales strategist teaches values-based selling to grow revenue without pressure

LOS ANGELES, CA, UNITED STATES, July 10, 2025 /EINPresswire.com/ -- In a month marked by the celebration of freedom, international sales strategist Tom Jackobs is helping wellness practitioners claim their independence—from sleazy sales tactics and outdated methods.

Through his Selling With H.E.A.R.T. framework, Jackobs shows health professionals how to connect, convert, and grow their practices ethically and effectively.

“True freedom is being able to sell in a way that aligns with your heart and still gets results,” says Jackobs. “That’s what I teach every day.”

Practices that implement his system report stronger client relationships, fewer objections, and more consistent enrollments—all without high-pressure tactics.
