Five bold new anthems reignite the New York Cosmos™ legacy, uniting global fans behind a football movement that refuses to be silenced.

NEW YORK, NY, UNITED STATES, July 2, 2025 /EINPresswire.com/ -- [Football Is For The Fans](https://www.einpresswire.com/football-is-for-the-fans), the fan-led movement ripping football back from the suits, has dropped five brand-new tribute tracks saluting the legends of the New York Cosmos™ — the club that made world football stop and stare. “

Our mission is simple,” Michaels added. “Football should be affordable, inclusive, and owned by the people who live and breathe it. These songs are just the first spark”

Scott “Matchmaker” Michaels, founder of Football Is For The Fans, declared:

“This is a love letter to everyone who knows football is supposed to be art, not an investment vehicle for billionaires. The Cosmos belonged to the fans — we’re just

reminding the world. We’re building this for the fans, pure and simple — no corporate suits pulling the strings. So far, 25 like-minded investors have already joined our mission to bring

football back to its rightful owners: the people. If you believe the game belongs to the fans, not the boardrooms, and you want in, contact Scott Michaels directly. Let's rewrite football together. "

As part of a wider mission, Football Is For The Fans has filed global trademark applications to secure the New York Cosmos™ name across the UK, Europe, Canada, and the USA. The group is reviving the Cosmos legacy with a world touring NASL™ Soccer Bowl, fusing heritage club brands with an American-style festival of football: country and rock bands, food trucks, 35-yard shootouts, and no corporate filters.
