

SGS Expands Scope of Conformity Assessment Services for Kuwait Imports

GENEVA, SWITZERLAND, July 7, 2025 /EINPresswire.com/ -- SGS, the world's leading testing, inspection and certification company, has announced an expanded scope of services under Kuwait's Public Authority for Industry (PAI) Product Conformity Assessment (PCA) program. As part of the Kuwait Conformity Assurance Scheme (KUCAS), SGS now offers certification for additional regulated products entering the Kuwaiti market, including detergents, household appliances, ceramic tiles, food contact materials and toys.

This expansion includes newly introduced requirements under the Kuwait Energy Efficiency Rating (KW EER) program, which now extends beyond air conditioners to cover a broader range of products. Effective March 1, 2025, energy efficiency regulations will apply to:

Rotating electrical machines (KWS 1897:2023)

Electric clothes dryers (KWS 1898:2023)

Electric clothes washing machines (KWS 1899:2023)

Refrigerators, refrigerators-freezers and freezers (KWS 1900:2023)

Additionally, conformity assessment now covers detergents, including:

Powder detergents: KWS GSO 151:2023

As an approved certification body for the KW EER program, SGS supports businesses to comply with Kuwait's latest energy efficiency and product performance requirements

Liquid detergents: KWS GSO 2555:2022

SGS is an approved certification body for the KW EER program, supporting businesses in complying with Kuwait's latest energy efficiency and product performance requirements. By certifying to updated KUCAS standards, manufacturers and exporters can ensure smooth market access and meet evolving regulatory expectations.
