Recorded at the iconic Wishbone Studios in Muscle Shoals, Alabama, "Cowboys and Endings" pairs Corbin's gravelly charm with music that underscores each tale. The project is produced by both highly accomplished singer and songwriters H. Jack Williams and Billy Lawson.

Williams came up with the idea one day when he witnessed Corbin's storytelling abilities. "Barry was telling a

story, and I thought, 'This would sound amazing with music underneath,'" Williams recalls. "We

took it to Billy, and it grew into something really special.”

Lawson, a longtime fan and owner of Wishbone Studios, helped shape the sound and feel of the record. “Barry’s got one of the most recognizable voices in movie history. It’s warm, familiar, and full of character,” says Lawson. “Having him in the studio was an honor.”

The 10-track album includes titles like: “Chicken Story”, “Have Camera Will Travel”, “First Thanksgiving”, and “Silverstone Elvis” Each story is delivered with Corbin’s trademark humor, heart, and Texas-born wisdom.

As Williams puts it, “The single ‘As You Like It’ is what you get when Muscle Shoals meets Shakespeare, with Barry Corbin riding shotgun.”

Whether you’ve followed Barry Corbin since “Stir Crazy” or just discovered him in “Killers of the Flower Moon”, “Cowboys and Endings” offers a rare journey through the mind of a true storyteller.

“As You Like It” released July 4th across most major digital platforms.
