

GoHighLevel Bootcamp Launches with 30-Day Free Trial Access for New Users

Live bootcamp offers step-by-step HighLevel platform walkthrough and exclusive bonuses, free for new signups

NY, UNITED STATES, July 5, 2025

/EINPresswire.com/ -- GoHighLevel announced the launch of the new HighLevel Bootcamp, a live and interactive educational experience designed for entrepreneurs, small business owners, and digital marketers seeking to quickly and efficiently launch their businesses using the

HighLevel platform. As part of the launch, new users can access a complimentary 30-day trial of HighLevel and receive additional exclusive bonuses at no cost.

HighLevel Bootcamp

The GoHighLevel Bootcamp is held live via Zoom every weekday at 11:00 a.m. Central Time, offering an engaging, hands-on environment where participants receive step-by-step guidance through HighLevel's suite of digital business tools. Unlike traditional webinars or passive video courses, this bootcamp features a "click-by-click" format, providing attendees with real-time instruction and breakout room collaboration to ensure every participant leaves the session with a fully operational HighLevel setup.

Breaking Down Barriers to Digital Business Launch

The rapid pace of technological change often creates barriers for those new to digital marketing or entrepreneurship. The GoHighLevel Bootcamp is designed to break down these obstacles by offering live, personalized support, allowing users to launch their own business infrastructure in less than an hour, regardless of previous experience or technical background.

"Many aspiring business owners and marketers find themselves overwhelmed by the technical requirements of setting up an all-in-one digital platform," said Jordan Matthews, Lead HighLevel

Coach and Bootcamp Organizer. “Our goal with the GoHighLevel Bootcamp is to make the launch process as simple and interactive as possible. We guide users step-by-step, answer their questions in real time, and provide proven templates so everyone walks away with a functional, revenue-ready business.”

What Participants Can Expect

The GoHighLevel Bootcamp is structured to provide maximum value in a minimal time investment, with a focus on implementation rather than theory. Over the course of a 60-minute live session, participants are guided through each stage of setting up their HighLevel account, learning essential digital business skills as they go. Key features of the bootcamp include:

- Live Instruction: Every session is delivered live by a certified HighLevel Coach, ensuring attendees can ask questions and receive answers in real time.
- Personalized Walkthrough: Sessions are interactive, with breakout rooms for smaller group collaboration and one-on-one support, allowing users to implement lessons as they learn.
- No Experience Required: The bootcamp is designed for users at every skill level, from complete beginners to experienced marketers.
- Hands-On Implementation: Attendees are not just taught concepts but are guided through the actual process of setting up and launching their business in HighLevel.

Curriculum: Essential Digital Business Skills

Throughout each live session, the HighLevel Coach covers a series of practical “quick win” setups designed to help users unlock immediate value from their HighLevel trial. Topics include:

- Text Marketing: How to engage leads and customers with SMS campaigns, driving higher conversion rates and customer retention.
- Missed Call Text Back: Automating follow-up with prospects who call but don’t connect, ensuring no lead is left behind.
- Mobile App Setup: Configuring the HighLevel mobile app for on-the-go management and communication.
- Social Media Integrations: Connecting HighLevel with key social media platforms to streamline outreach and engagement.
- Google Business Chat: Leveraging Google’s communication tools to connect with local prospects and customers.

- Reputation and Reviews Management: Setting up tools to request and collect positive online reviews, building trust and visibility.

Participants also receive detailed walkthroughs on entering business information, managing billing and payments securely, and navigating the HighLevel dashboard. Each segment is designed to be actionable, ensuring users make tangible progress throughout the bootcamp.

An Interactive, Supportive Learning Environment

Unlike traditional webinars, the GoHighLevel Bootcamp emphasizes interactivity. After an initial group walkthrough, participants join breakout rooms for hands-on implementation, receiving direct support from HighLevel experts and fellow attendees. This peer-driven environment enables users to troubleshoot issues in real time, exchange ideas, and build connections with other entrepreneurs facing similar challenges.

Attendees are encouraged to ask questions throughout the session, with coaches available to provide personalized advice and additional resources as needed. By the end of each bootcamp, every participant will have a live, functioning HighLevel account, equipped with essential tools for lead generation, automation, and online reputation management.

Exclusive Bonuses: Added Value for New Users

To further support participant success, the GoHighLevel Bootcamp includes a suite of exclusive bonuses, available at no cost to new signups who activate their 30-day trial. These bonuses are designed to accelerate learning and empower users to launch and scale their digital business faster:

- Free BONUS #1: 5 Day Reviews Challenge Course

This actionable course is centered around the high-value offer of requesting and collecting positive online reviews. Participants receive training, templates, and resources to help them craft irresistible offers and quickly sign new clients.

- Free BONUS #2: The SaaSpreneur Playbook

HighLevel's flagship SaaS Launch Course, the SaaSpreneur Playbook, provides a comprehensive guide for launching a software-as-a-service (SaaS) business in local markets. The playbook details strategies for generating recurring subscription revenue, whether as a new business or an additional service line.

- Free BONUS #3: HighLevel Snapshots & Funnels

Attendees receive proven funnel templates and one-click “snapshots” that can be downloaded and implemented immediately. These tools streamline the business launch process, allowing users to bypass the steep learning curve and achieve results faster.

Additional giveaways, such as the Lead Gen Playbook and exclusive access to the HighLevel Funnel Library, may also be included depending on the session, further enhancing the value provided to participants.

Community Impact and Reach

The HighLevel platform has seen rapid adoption since its inception, now boasting a global community of more than 70,000 users across 84 countries. Collectively, HighLevel users have generated over \$500 million in revenue for their businesses, leveraging the platform’s robust suite of marketing, sales, and automation tools.

The GoHighLevel Bootcamp aims to make these results accessible to an even wider audience by removing common barriers to entry. With its hands-on approach, dedicated coaching, and comprehensive bonus package, the bootcamp offers an inclusive pathway for individuals and organizations seeking to harness the power of digital marketing.

How to Join: Simple, Secure Registration

Enrollment in the GoHighLevel Bootcamp is straightforward and secure. Prospective attendees can register online at <https://olusoladavid.com/highlevel-bootcamp>, where they will be prompted to create a free HighLevel account, provide business information, and enter payment details to activate their complimentary 30-day trial. No charges are processed during the trial period, and participants are free to cancel at any time before the trial ends to avoid future billing.

Registrants can expect the following process:

1. Sign Up: Complete the registration form with company and contact information.
2. Activate Trial: Start the 30-day free trial to unlock bootcamp access.
3. Attend Live: Join the live bootcamp session on any weekday at 11:00 a.m. Central Time.
4. Launch & Scale: Leave the bootcamp with a fully launched business on HighLevel and access to all included bonuses.

All personal information is handled with strict confidentiality and data privacy protections. Registrants may receive occasional updates via email or SMS, and all payments are processed through secure, encrypted systems.

Ongoing Support and Continued Learning

The GoHighLevel Bootcamp is more than a one-time event—it is a gateway to ongoing education, support, and business growth. Participants who complete the live session are invited to join the broader HighLevel community, where they can access additional resources, connect with peers, and receive ongoing updates and best practices from industry experts.

HighLevel Coaches are available to provide continued guidance, ensuring users never feel stuck or unsupported as they expand their digital business operations. Follow-up workshops, advanced courses, and regular community events help attendees keep pace with new platform features and evolving digital marketing trends.

Commitment to Accessibility and Results

“At GoHighLevel, we believe that access to the right tools and guidance can transform the trajectory of any business,” said Jordan Matthews, Lead HighLevel Coach and Bootcamp Organizer. “By offering a live, interactive bootcamp and a risk-free trial, we’re giving entrepreneurs and marketers a real chance to build something sustainable—without the overwhelm and uncertainty that often holds them back. Our focus is on action, accountability, and genuine results.”

This commitment to accessibility and outcomes is reflected in the bootcamp’s “get it done together” approach. Rather than relying on pre-recorded videos or generic content, each bootcamp session is tailored to attendee needs, providing the kind of real-time support and problem-solving that leads to lasting business growth.
