About Inverite Insights Inc.

“

"We are excited to welcome Inverite Insights Inc. to The Investors Coliseum community, Inverite is a true innovator in the fintech space with their advanced AI-driven solutions! ".

Spyros P. Karellas

Based in Vancouver, Inverite Insights Inc. is a cutting-edge fintech company that has developed Canada's most comprehensive [AI](#)-driven credit assessment platform. Leveraging a proprietary database of more than 27.5 billion financial data points from over seven million unique Canadian consumer transactions, Inverite enables lenders to make faster, more accurate, and more inclusive credit decisions. By moving beyond traditional credit bureau snapshots, Inverite provides deeper, real-time insights that help financial institutions extend credit responsibly and reach underserved markets.

With its robust technology and commitment to financial inclusion, Inverite Insights is positioning itself at the forefront of the transformation taking place in Canada's financial services sector helping to modernize the credit assessment process while addressing the evolving needs of consumers and lenders alike.
