

Klazik Releases New Single 'Ovation' — Gaining Early Chart Momentum Ahead of Official Launch

Ovation makes waves before its official release, earning over 4,000 internet radio spins and debuting at #40 on the DRT Independent Airplay Chart.

WEST DES MOINES, IA, UNITED STATES, July 7, 2025 /EINPresswire.com/ -- While the nation celebrated Independence Day with fireworks, the Voice of Adult Contemporary Hip Hop, Klazik, celebrated a major win of his own. His brand-new single “Ovation” officially dropped—but it’s already making serious waves across the airwaves.

“

Midwestern rapper Klazik's "Ovation" is a hard-hitting new release that blends hip hop elements with an undeniable club vibe, making it the perfect soundtrack for a night out on the town.”

Steven Azami

In a strategic move that reflects both his grassroots ethos and growing industry savvy, Klazik released “Ovation” exclusively to internet radio ahead of the official launch.

The response? Explosive.

The single has already garnered over 4,000 spins and broken into the Top 40 on the DRT Independent Airplay Chart, landing at #40 even before it became publicly available.

A follow-up to his critically praised release “Get to You”, “Ovation” is a grown, confident, and hypnotic blend of modern hip hop and timeless charisma. With flirtatious bars, ghostly ad-libs, and a beat built for both the club and the culture, “Ovation” showcases the signature style that has made Klazik a standout in today's rap landscape.

“Throw this song on at any point on your night out” Klazik shares. “You cant go wrong.”

Known for pioneering the Adult Contemporary Hip Hop genre, Klazik continues to carve a lane that honors the craft while pushing it forward. His music speaks to real experiences, elevated perspectives, and the kind of polished storytelling that resonates far beyond trends.

"Ovation" is now available on major streaming platforms and Klazik's Official YouTube Page.
