Event Hire Sydney

During July they will respond to reader enquiries relating to autumn weddings with features from [Event Hire Sydney](#) who are specialists at assisting with arranging weddings across New South Wales.

The first feature is on the benefits of hiring chairs and sound equipment as well as tips on catering for the big day.

Event Hire Sydney are recognised as having one of the largest selections of chairs for hire in Sydney with their experienced staff able to advise on the most suitable options for the event and numbers attending. They also have an extensive selection of sound and lighting equipment as well as [framed marquee hire options](#) for outdoor or location weddings. Their experienced staff are able to advise on the most suitable options for the location and environment the wedding is being held. To learn more about them and their array of items & technology they have for your event, visit their website here: <https://eventhiresydney.com.au>

Lyndal Jones, Head of Content for CBD Insights Digital Lifestyle Magazine said this in her interview with Eleven Media “The website blog has been experiencing great growth in visitors to the online magazine over recent years. The management team have listened to the feedback survey from website visitors as to the content and experience they seek. The team have seen the importance of also staying at the leading edge of technology to keep in touch with clients the way they expect and to communicate in the best way possible the array of information provided to all visitors to the website.”

About CBD Insights Digital Lifestyle Magazine

CBD Insights is a leading Australian digital lifestyle magazine for the discerning reader. It covers everything from health, fitness, home and garden matters to tips for selecting a business coach or cosmetic dentist. There is something for every visitor to their website.

Their online presence has been growing sharply in popularity and is experiencing significant growth in visitors to their online magazine over recent years. Credit for this is due to them responding quickly to their website visitors feedback surveys on the content and experiences they seek. The features on carpark and warehouse features are in response to listening to readers.
