

Partee Group Launches CADDYBAR™ — 2025 PGA Show's Most Viewed Product

CHICAGO, IL, UNITED STATES, July 7, 2025 /EINPresswire.com/ -- [Partee Group](#) LLC is proud to announce the official release of [CADDYBAR™](#), a patent-pending multifunctional [golf cart accessory system](#) that ranked as the #1 most viewed online profile at the 2025 PGA Show. Designed for both personal cart owners and professional golf courses, CADDYBAR™ transforms any golf cart into a smarter, more organized ride—whether for leisure rounds or high-volume course operations.

A spilled shoe bag of refreshments on a spring golf outing sparked the idea for CADDYBAR™—a simple, structured system to keep drinks, gear, and devices secure on the move. What began as a common frustration turned into a new standard for golf cart storage and utility.

For personal golf cart users, CADDYBAR™ offers a streamlined companion for community rides, family outings, and casual rounds. Attachments include:

"Feedback from both players and course managers at the PGA Show confirmed we were solving a real need," says Jonathan Smith, founder of Partee Group. "What began as a practical fix has become a category-defining upgrade."
