

Edgar, Dunn & Company's UK Payments & Fintech Report 2025

LONDON, UNITED KINGDOM, July 8, 2025 /EINPresswire.com/ -- Edgar, Dunn & Company Releases UK Payments & Fintech Report 2025

[Edgar, Dunn & Company \(EDC\)](#), a global strategy consultancy specialising in payments and fintech, today announced the release of its UK Payments & Fintech Report 2025. The report offers a comprehensive overview of a rapidly evolving landscape shaped by new market entrants, shifting regulation, and accelerating innovation.

Drawing on decades of sector experience, the report serves as a strategic reference point for stakeholders navigating the complexities of the UK's financial ecosystem - from policymakers and regulators to fintech founders and payment service providers.

"Whether you're setting strategy, developing regulation, or building the next wave of financial technology, having a clear view of the current landscape is critical," said EDC Director [Mark Beresford](#). "This report brings clarity to a fast-moving sector and helps contextualise what's changing and why."

Key themes explored in the report include:

1. The transition from Open Banking to Open Finance and Open Data: real-world use cases and

EDC's UK Payments & Fintech Report 2025

adoption trends.

2. The growing impact of alternative payment methods (APMs) and digital wallets in the UK's payments mix.
3. A current snapshot of the UK's regulatory outlook, innovation trends, and mergers & acquisitions activity.

The UK Payments & Fintech Report 2025 is now available to download.
