

Trillium Clinic Dermatology and Med Spa named Best of Johnston County 2025

Trillium Clinic Dermatology Receives Prestigious Recognition as Best Dermatologist in Johnston County

SMITHFIELD, NC, UNITED STATES, July 17, 2025 /EINPresswire.com/ -- Trillium Clinic Dermatology and Med Spa is proud to announce that it has been named the Best Dermatologist in Johnston County, a distinction that recognizes the clinic's unwavering commitment to patient-centered care, innovative treatments, and community engagement. This honor, presented by the community and affirmed by local health authorities, cements Trillium Clinic Dermatology's reputation as a trusted, leading provider of advanced dermatologic care in the region.

A Commitment to Excellence

The distinction of being named the best dermatologist in Johnston County is not only a testament to Trillium Clinic Dermatology's exceptional medical expertise, but also to its dedication to fostering strong patient relationships and advancing the standard of dermatological care. The clinic, founded with the vision of providing accessible and comprehensive skin health services, has consistently placed patient wellness at the core of its mission.

Stefan C. Weiss, MD, Adjunct Professor of Dermatology at the The Warren Alpert Medical School of Brown University and Medical Director of Trillium Clinic Dermatology, expressed gratitude for

the recognition: “Being named the best dermatologist in Johnston County is an extraordinary honor, especially because it reflects the trust our patients and peers place in us. Our team is committed to delivering the highest level of care, and this award motivates us to continue investing in our patients’ health and the well-being of our community.”

Comprehensive Dermatological Services

Trillium Clinic Dermatology offers a full spectrum of skincare services, from preventive care and routine screenings to advanced therapies for complex skin conditions. The clinic specializes in medical, surgical, and cosmetic dermatology, ensuring that patients receive holistic care for all their skin health needs.

- Medical Dermatology: Diagnosis and treatment of common and rare skin disorders, including acne, eczema, [psoriasis](#), and skin cancer.
- Surgical Dermatology: Expertise in minimally invasive procedures, biopsies, and excisions for both benign and malignant lesions.
- Cosmetic Dermatology: State-of-the-art aesthetic treatments, such as laser therapy, [chemical peels](#), Botox, fillers, and more.
- Pediatric Dermatology: Compassionate care tailored for infants, children, and adolescents with dermatologic concerns.
- Skin Cancer Screening and Prevention: Comprehensive screenings, education, and preventive services to protect patients against skin cancer.

The clinic’s multidisciplinary team collaborates to ensure every patient receives individualized, evidence-based treatment. This patient-centric approach has been fundamental to achieving the clinic’s high patient satisfaction ratings and outstanding clinical outcomes.

Innovation and Technology

Trillium Clinic Dermatology and Med Spa is committed to embracing the latest advancements in dermatological science and technology. The clinic continually invests in state-of-the-art equipment and ongoing professional education to ensure the most effective, least invasive treatments are available to its patients.

Recent investments include the introduction of advanced laser systems for [skin resurfacing](#) and rejuvenation and innovative therapies for chronic conditions such as vitiligo and alopecia. The clinic’s dedication to research and evidence-based practice ensures that patients benefit from cutting-edge therapies and a greater range of treatment options.

Patient Experience at the Heart of Care

At the core of Trillium Clinic Dermatology’s philosophy is an unwavering commitment to patient experience. The clinic’s approach is characterized by empathy, clear communication, and shared decision-making. Staff members prioritize building relationships with patients, ensuring that each individual feels valued, understood, and empowered in their care.

Patient testimonials consistently highlight the clinic’s welcoming environment, professionalism,

and genuine concern for well-being. One patient, shared: "From the moment I walked in, I felt at ease. Dr. Weiss and the staff took the time to listen to my concerns and explain my options. I'm grateful for their expertise and compassion."

Community Involvement and Education

As an integral part of Johnston County, Trillium Clinic Dermatology and Med Spa is dedicated to enhancing the health and wellness of the broader community. The clinic regularly participates in community health fairs, public education seminars, and outreach programs aimed at promoting sun safety and skin health awareness.

These initiatives have not only raised awareness about the importance of skin care but have also helped many residents access early diagnosis and treatment for skin conditions. The clinic collaborates with local schools, businesses, and community organizations to extend its educational efforts and ensure that skin health is a priority for all.

Looking Forward: Sustaining Excellence

Winning the title of Best Dermatologist in Johnston County is a milestone, but Trillium Clinic Dermatology views it as a starting point for further growth and innovation. The clinic is actively expanding its service offerings, recruiting top-tier medical professionals, and enhancing its facilities to accommodate the region's growing health care needs.

Upcoming plans include bringing on additional providers to increase access, the expansion of cosmetic dermatology offerings, and ongoing staff development programs to uphold the highest standards of clinical practice.

Dr. Weiss concluded, "This recognition is a celebration of our patients, staff, and the community we serve. We are deeply grateful for the support we've received and are committed to advancing dermatologic care in Johnston County for years to come."
