

Depo IQ Unveils Advanced Medical Record Chronologies x Depositions Summaries to Supercharge Litigation Intelligence

Depo IQ now unifies medical and deposition summaries, giving legal teams fast, AI-powered insights to build stronger, data-driven case strategies.

Depo IQ Deposition Intelligence

SAN FRANCISCO, CA, UNITED STATES,
August 19, 2025 /EINPresswire.com/ --
Depo IQ (depoi.com), a leader in

litigation intelligence solutions, today announced the launch of its cutting-edge Medical Records Summaries and Chronologies platform, engineered to transform how legal teams analyze, strategize, and win complex cases. This new solution is meticulously designed to work in concert with Depo IQ's existing deposition transcript summaries and insights, delivering a unified, actionable view of every case.

By integrating medical and deposition intelligence, we're enabling legal teams to see the full picture, act faster, and build stronger cases. This is the future of litigation strategy."

John Sanchez

Ultimate Litigation Strategy, All in One Place

Depo IQ's solution provides a single, intuitive dashboard where attorneys can:

- Navigate between medical chronologies, deposition summaries, and critical insights with a click
- Surface actionable intelligence, such as documentation gaps, potential gaps in evidence based care, liability triggers, or causation issues, at every stage of litigation
- Accelerate case evaluation, discovery, and trial

preparation, giving clients a decisive edge

Client-Centric, Cost-Efficient, and Secure

Built for the needs of modern litigation, Depo IQ's platform delivers:

- Rapid turnaround: summaries and chronologies in minutes, not days
- Consistent, high-quality results that rival traditional manual review at a fraction of the cost
- Secure, compliant handling of sensitive health data

A New Standard for Litigation Support

“Depo IQ’s Medical Records Summaries and Chronologies are a game changer for our clients,” said John Sanchez, CEO of Depo IQ. “By integrating medical and deposition intelligence, we’re enabling legal teams to see the full picture, act faster, and build stronger cases. This is the future of litigation strategy.”
