

Jones Lake Management Partners with Environmental Technology

This partnership strengthens Jones Lake Management's presence in the greater Chicago area and provides new services to Environmental Technology's clients.

CINCINNATI, OH, UNITED STATES, July 8, 2025 /EINPresswire.com/ -- Jones Lake Management announced today that it has partnered with Environmental Technology A Lake Management Company ("Environmental Technology"), a well-established provider of pond and lake management services based out of Ringwood, IL. This strategic partnership significantly strengthens Jones Lake Management's presence in northern Illinois and the greater Chicago area and will provide ample opportunity to introduce new services to Environmental Technology's existing customer base.

This strategic partnership strengthens Jones Lake Management's presence in the greater Chicago area.

“

We are excited to partner with Environmental Technology as we continue to bolster our presence in the Midwest, growing both through partnerships and organic growth.”

Tom Barry, CEO of Jones Lake Management

“We couldn’t be more excited for the partnership with Jones Lake Management,” said Jim Benser, Owner of Environmental Technology. “Jones Lake Management’s commitment to delivering expert, science-based aquatic solutions aligns perfectly with our company values. I’m excited to be able to introduce new service offerings such as gamefish stocking, hydraulic dredging, and fisheries management to our loyal customer base.”

“We are excited to partner with Environmental Technology as we continue to bolster our presence in the Midwest,

growing both through partnerships and organic growth.” said Tom Barry, CEO of Jones Lake Management. “We look forward to welcoming their customers and team to the Jones Lake Management family.”

Going forward, the Environmental Technology will operate under the Jones Lake Management

brand, unifying their commitment to delivering expert, science-based aquatic solutions under a single trusted name. The entire staff at Environmental Technology will remain onboard. James will assume the Branch Management position and continue to focus on customer relationships and sales growth initiatives.
