JOHNSON CITY, TN, UNITED STATES, July 10, 2025 /EINPresswire.com/ -- Cult Survivor Breaks Silence in New Memoir, Revealing the Untold Truth Behind the Infamous Love Has Won Cult

[The War on Love](#) fills the gaps left by HBO, VICE, and Dateline NBC, exposing the hidden power structures, manipulation tactics, and the woman known as "Mother God."

In his memoir, *The War on Love: And My Ex, Mother God, Who Became a Mummified Corpse*, cult and cancer survivor Andrew-Ryan Profaci finally tells the inside story of Love Has Won, the spiritual cult that shocked the world when its leader, Amy Carlson, was found mummified and wrapped in Christmas lights, in a raid by the Saguache County Sheriff's Dept. in 2021.

Author of *The War on Love*, Andrew-Ryan Profaci

The bizarre headlines caught global media attention. HBO, VICE, and Dateline NBC covered the aftermath in documentaries and news specials. But few know the full truth of what happened behind the scenes, and no one has been willing to tell it all—until now.

“

I seek to help create a world that replaces apathy with empathy, and honors the truth at any cost.”

Andrew-Ryan Profaci

Profaci, a former high-ranking member and intimate partner of Carlson, breaks his silence to expose:
—How Amy Carlson built her persona as “Mother God” and the painful reality behind the myth.
—The psychological control mechanisms that trapped

followers in spiritual delusion and emotional abuse.

—The cult's descent from hopeful awakening to chaos, addiction, and financial exploitation.

—And the looming question of whether a hidden hand orchestrated the group's collapse from behind the scenes.

"People saw the headlines, but they never saw the human story," Profaci says. "I lived with Amy Carlson. I tried to save her from herself. And what I witnessed will stay with me forever."

With raw honesty, *The War on Love* fills the gaps left by mainstream reporting, answering the questions curious minds and spiritual seekers still ask today. It is not just a story of cult survival but a deeply human journey through love, betrayal, awakening, and the fight for personal freedom.
