integration addresses the evolving expectations of today's workforce by offering meaningful, experiential rewards that go beyond traditional recognition programs.

This collaboration marks Vantage Circle's expansion into the travel and lifestyle segment while significantly enhancing its existing redemption ecosystem with premium, curated experiences worldwide. The integration introduces a comprehensive global catalog of travel and lifestyle experiences spanning over 60 countries across North America, Europe, Asia-Pacific, the Middle East, Africa, and Latin America. The new travel and lifestyle offerings are seamlessly integrated into Vantage Circle's existing user experience. Employees can access these options by navigating to the Redemption section, selecting the Experiences category, and clicking the dedicated Switchfly banner to explore available bookings.

Speaking on this, Mr. [Partha Neog](#), CEO and Co-founder of Vantage Circle said, "Today's workforce doesn't just want recognition, rather they crave experiences that enrich their lives beyond the workplace. This association with Switchfly transforms how we think about employee
