

# EbookMagic Crowned the Leading AI Ebook Generator App of 2025

LONDON, ENGLAND, UNITED KINGDOM, July 8, 2025

/EINPresswire.com/ -- EbookMagic, a cutting-edge AI-powered platform transforming the digital publishing landscape, has been officially recognized as the top [AI ebook generator](#) app of 2025. Despite launching just a week ago, the platform has already made waves in the creator economy—enabling several users to produce ebooks spanning 15+ genres with an impressive 99% satisfaction rating.

## Revolutionizing Ebook Publishing in Minutes

EbookMagic streamlines the entire ebook production process, allowing authors, educators, entrepreneurs, and content creators to go from concept to publish-ready product in under 10 minutes. By simply entering a title, genre, target audience, and a few key ideas, users can generate high-quality written content, a custom-designed book cover, and professionally formatted layouts—all with the help of advanced generative AI.

“

At EbookMagic, our mission is to democratize publishing by putting professional-grade tools into the hands of everyday creators”
