This honor reflects the trust our clients place in us and the passion our team brings. Being named to the MSP 501 confirms our no-nonsense, results-driven approach is making a real impact.”

Alex McGillivray, CEO

provider of [managed IT](#) and [cybersecurity](#) solutions, is proud to announce its inclusion in the 2025 Channel Futures MSP 501 as one of the world’s top managed service providers.

Now in its 18th year, the MSP 501 is the most comprehensive and respected ranking of managed service providers globally. Curated by Channel Futures, the list evaluates applicants based on financial performance, recurring revenue, innovation, operational efficiency, and customer commitment. Sure Systems’ placement on this prestigious list reflects its unwavering dedication to

delivering straightforward, secure, and effective IT solutions to Calgary’s professional service-based businesses.

“The MSP 501 is more than a ranking—it’s a reflection of the innovation, operational excellence, and customer-first mindset that drives the world’s top managed service providers forward,” said Robert DeMarzo, Sr. Director of Informa Channels. “Earning a place on this list signals to customers, partners, and the broader tech community that these MSPs are setting the pace for the industry and defining what success looks like in today’s complex [technology](#) landscape.”

Founded in 2003, Sure Systems has spent over two decades helping Calgary businesses navigate the evolving technology landscape. With a local, dedicated team and a focus on long-term relationships, Sure Systems delivers tailored IT strategies that eliminate confusion, reduce risk, and empower growth. From cybersecurity and cloud services to co-managed IT and rapid-response support, the company’s “Hassle-Free IT” approach ensures clients get the service they need—without the jargon.

“This recognition is a testament to the trust our clients place in us and the passion our team brings to every solution,” said Alex McGillivray, CEO of Sure Systems. “We’ve built our reputation on authenticity, transparency, and a no-nonsense approach to IT. Being named to the MSP 501 affirms that our commitment to cutting through complexity and delivering real results is making a difference.”

The MSP 501 list is more than a ranking—it’s a benchmark for excellence in the IT services industry. Winners are selected through a rigorous, data-driven process and represent the best of the best in managed services worldwide.

“Making the MSP 501 isn’t just about numbers—it’s about leadership, vision, and delivering meaningful outcomes for customers,” said Kelly Danziger, General Manager of Informa Channels. “These MSPs are shaping the future of technology services.”
