

# Hyundai Lumberton Offers \$1,000 Discount on New Vehicles

LUMBERTON, NC, UNITED STATES, July 8, 2025 /EINPresswire.com/ -- Hyundai Lumberton has announced a temporary pricing adjustment that provides a \$1,000 discount on the manufacturer's suggested retail price (MSRP) of all [new Hyundai vehicles](#) currently in stock. This offer is available to eligible customers and is subject to specific terms and conditions outlined by the dealership.

## Overview of the Offer

The \$1,000 discount applies exclusively to new Hyundai vehicles available at the Lumberton dealership. It does not extend to used or certified pre-owned vehicles, and it cannot be applied retroactively to previous purchases. The discount is not redeemable for cash and must be used as part of a new vehicle transaction.

To qualify, customers are required to schedule an appointment in advance and must present a valid coupon before any price negotiations begin. Additional restrictions may apply, and customers are encouraged to contact the dealership directly for complete details.

## Available Vehicle Models

Hyundai Lumberton's inventory includes a variety of 2025 models, ranging from compact sedans to larger SUVs and electric vehicles. Among the available options:

**Hyundai Tucson:** A compact SUV that offers a balance of cargo space, fuel efficiency, and available hybrid technology. It includes standard safety features such as forward collision-avoidance assist and lane-keeping assist.

Hyundai Elantra: A compact sedan known for its fuel economy and technology integration, including wireless Apple CarPlay and Android Auto. It is designed for drivers seeking affordability without sacrificing modern features.

Hyundai Palisade: A three-row SUV that accommodates up to eight passengers. It includes features such as a hands-free liftgate, advanced driver assistance systems, and available all-wheel drive.

Hyundai Santa Cruz: A crossover utility vehicle that blends SUV comfort with pickup-style utility. It includes safety features like Rear Cross-Traffic Collision-Avoidance Assist and offers flexible cargo solutions.

Hyundai IONIQ 5: An all-electric vehicle with an estimated range of over 300 miles per charge. It features fast-charging capability, a minimalist interior design, and Hyundai's Bluelink+ connected services.

#### Dealership Information

Hyundai Lumberton is located at 4330 Kahn Drive in Lumberton, North Carolina, near the I-95 corridor. The dealership serves customers from Robeson County and surrounding areas, including Fayetteville, Pembroke, and Red Springs.

In addition to vehicle sales, the dealership offers financing assistance, trade-in evaluations, and vehicle maintenance services. Certified Hyundai technicians are available on-site, and the service department provides routine maintenance and repair options for Hyundai owners.

#### How to Learn More

Customers interested in the \$1,000 discount or in browsing available inventory can visit the dealership's website at [www.hyundailumberton.com](http://www.hyundailumberton.com). Appointments can also be scheduled by calling 910-212-6204.

Because the offer is limited in duration and applies only while current inventory lasts, prospective buyers are encouraged to confirm availability and eligibility before visiting the dealership.
