

# Woven Achieves HubSpot Custom Integration Accreditation

*Woven, HubSpot Solution Partner based in Singapore, announced it has completed the rigorous requirements for HubSpot Custom Integration Accreditation*

SINGAPORE, SINGAPORE, July 14, 2025 /EINPresswire.com/ -- Woven, a HubSpot Solution Partner and leading [HubSpot consultant](#) based in Singapore, announced that it has completed the rigorous requirements for HubSpot Custom Integration Accreditation.

HubSpot, the customer platform for scaling companies, uses accreditations to recognize members of its Solutions Partner Program who meet specific criteria that drive both their growth and the growth of their customers. This accreditation will also help clients accelerate their [HubSpot Integration](#) by ensuring best practices from day one.

“

We are incredibly proud to be recognized as a HubSpot Custom Integration accredited partner. This accreditation is a testament to our team's deep technical capabilities and unwavering dedication.”

*Danny Murong, Principal Consultant of Woven*

This significant achievement underscores Woven's extensive experience and deep technical acumen in designing and executing complex, business-critical integrations on the HubSpot platform. Earning the Custom Integration Accreditation serves as formal validation of Woven's proven ability to navigate intricate technical landscapes, ensuring seamless data flow, unified customer

experiences, and expert [HubSpot setup](#) for clients with sophisticated ecosystem needs.

“HubSpot's partner community is essential to our goal of helping millions of organizations grow better. The success of our shared customers is a direct reflection of the hard work and dedication of partners like Woven,” said Angela O'Dowd, VP of the Solutions Partner Program at HubSpot. “On behalf of everyone at HubSpot, I'm thrilled to congratulate the entire Woven team

on this incredible achievement and their ongoing impact on customer success."

HubSpot accreditations are awarded to Solutions Partner organizations demonstrating the highest levels of quality, service, and strategic insight needed to support HubSpot customers. Organizations must prove they possess the specific expertise, capacity, and practical experience required to successfully serve customers with complex technical and business integration needs.

"We are incredibly proud to be recognized as a HubSpot Custom Integration accredited partner," said Danny Murong, Principal Consultant of Woven. "This accreditation is a testament to our team's deep technical capabilities and unwavering dedication to excellence in solving our clients' most complex integration challenges on the HubSpot platform. It reinforces our commitment in empowering our clients to achieve real growth. We are grateful to HubSpot and proud of our team for reaching this significant milestone."
