impacts of an accident strives to restore balance and justice for their clients. Steven Polak is one such lawyer, who has helped countless personal injury victims and people unfairly denied disability benefits to regain their lives. His devotion and steadfast dedication in his role have made him surpass the 50-Point Inspection of [ThreeBestRated®](#) to be listed as a top personal injury lawyer in Whitby.

Steven said, “I'm happy to receive the award, as recognition for our hard work, determination and consistency in

delivering successful outcomes for our clients. Being an injury and disability lawyer is an emotional job because of all the heartache and tragedy that you see. You often see people who are on the verge of collapse and they turn to you as their last hope. Helping those people achieve financial security to mitigate their losses is an incredibly rewarding part of my job.”

Steven Polak—Lerners LLP, A Trusted Name in Whitby

Steven Polak is a partner at Lerners LLP and has earned the name “repeatedly recommended” lawyer. He is known for his fierce, yet calm, respected legal guidance.

>> 20 Years in Justice: With over two decades of dedicated service at Lerners LLP, Steven Polak has earned a reputation for integrity, excellence, and unwavering commitment to justice. He represents individuals who are injured and denied their rights, providing them with reliable legal guidance and a strong voice against insurers.

>> Standing With the Injured, Not the Insurers: In the earlier days of his career, Steven

represented both victims and insurers. In 2008, he founded his true calling and devoted 100% of his work to advocating solely for injured and disabled individuals, refusing to represent Insurance companies.

>> Wide-Ranging Caseload: Steven's expertise covers a wide range of areas including, motor vehicle accidents, slip and fall lawsuits, accident benefits cases, and long-term disability benefits cases. He has also represented other complex injury cases related to paraplegia, quadriplegia, orthopedic fractures, brain injury, connective tissue pain disorders, RSD, TMJ, spinal injury, chronic pain, concussion, whiplash and psychological impairments.
