BOCA RATON, FL, UNITED STATES, July 15, 2025 /EINPresswire.com/ -- Get ready to "Shake Your Groove Thing" for a great cause! [JARC Florida](#), a nonprofit organization based in Boca Raton, which provides programs and services to educate and empower individuals

with intellectual and developmental disabilities including autism, will host its [15th Annual Cocktails for JARC](#) on Tuesday, August 19 from 6 to 8 p.m. This year's retro-themed celebration takes place for the first time at Good Night John Boy, the new 1970s-inspired nightclub and restaurant in Downtown Delray Beach.

“

As a sibling of someone with special needs and proud member of The Sibling Society, to host Cocktails for JARC this year is incredibly meaningful to me.”

*Jordyn Gechter*

The event is presented by The Sibling Society—a group within JARC that offers support and community for siblings of individuals with intellectual and developmental disabilities. Proceeds from the event will support JARC's Community Works Program, which provides vocational training and employment opportunities for individuals with intellectual and developmental disabilities. State funding for the program was cut by nearly 75% in Florida's newly

released 2025-2026 Fiscal Year budget.

“As a sibling of someone with special needs and proud member of The Sibling Society, to host Cocktails for JARC this year is incredibly meaningful to me,” said Jordyn Gechter. “It's more than a fundraiser—it's a celebration of inclusion, independence, and the amazing community that JARC has built.
