

# ProcureTech Leaders Summit 2025 Announced: Where Procurement Meets Purpose, Innovation, and Impact

*Join 150+ leaders in Frankfurt on 18 Sept for the ProcureTech Leaders Summit 2025, a one-day event focused on AI, ESG, and the future of procurement.*

FRANKFURT, FRANKFURT AM MAIN, GERMANY, July 10, 2025  
/EINPresswire.com/ -- In an era defined by disruption, digital acceleration, and environmental accountability, procurement is stepping into a new role not just as a cost manager but as a strategic driver of responsible, resilient growth.

With that shift comes a new kind of conversation, and that's exactly what the ProcureTech Leaders Summit 2025 is designed to deliver.

Date: 18 September 2025

Procurement today is about more than savings; it's about creating sustainable, data-driven value."

Hosted by TechSomet, this exclusive one-day, in-person summit will bring together 150+ procurement executives, digital transformation leaders, and ESG strategists from

across Europe for a day of bold ideas, real-world strategies, and transformative networking.

What to Expect:

At the heart of the summit lies a powerful question:

How can procurement lead the charge in doing business the right way, not just efficiently, but ethically, sustainably, and intelligently?

This question will be explored through:

- Thought-provoking keynotes on the future of procurement
- Panel discussions on AI, automation, ESG, and supplier collaboration
- Interactive workshops on AI implementation and simulation challenges
- Case studies from brands leading procurement transformation
- Special segments like “Women in Procurement” and hands-on group activities
- Networking Lunch + Evening Cocktail Reception to build high-value connections

What’s on the Agenda?

From AI-powered sourcing and autonomous procurement to ESG leadership, real-world case studies, and interactive workshops — the summit agenda is packed with actionable insights and future-focused discussions.

We’ll also explore data-driven decision-making, celebrate women in procurement, and dive into a live simulation challenge designed to sharpen your strategic edge.
