

# Scalo welcomes Jakub Stadnik as Head of Delivery to drive growth and strengthen client partnerships

WROCLAW, POLAND, July 10, 2025 /EINPresswire.com/ -- Scalo, a leading provider of team augmentation and [software development services](#), is pleased to announce the appointment of Jakub Stadnik as the company's new Head of Delivery. In this strategic leadership role, Jakub will be responsible for strengthening existing client relationships, supporting new business development, and elevating service delivery standards.

Jakub brings over two decades of managerial experience, including 15 years in service delivery management, software development, and technology services. His impressive track record includes senior roles at Credit Suisse, IBM, intive, and most recently STX Next. Known for his strategic mindset and client-centric approach, Jakub has successfully led high-performing teams, managed complex projects, and consistently delivered measurable business value.

In his new role, Jakub will focus on strengthening Scalo's delivery organization, ensuring the highest standards of service quality, and aligning delivery strategies with clients' evolving needs. He will also play a key role in mentoring and developing Scalo's operational and technology teams to support the company's continued expansion.
