Austin Security Professionals Invited to Attend StrongDM Lunch & Learn on Zero Trust Access Strategies

In-person event at Perry's Steakhouse to feature practical insights from StrongDM and EncoreCyber and networking with Austin tech and security professionals

AUSTIN, TX, UNITED STATES, July 10, 2025 /EINPresswire.com/ -- StrongDM, the Zero Trust privileged access platform, is hosting a Lunch & Learn event in Austin on Thursday, July 17, offering local IT, security, DevOps, and compliance professionals a chance to connect, learn, and share strategies for access control in complex environments.

StrongDM, the Zero Trust privileged access company

The event will take place at Perry's Steakhouse in downtown Austin, and will feature StrongDM tech evangelist, John Martinez, who will lead an interactive discussion titled, "Zero Standing Privileges in a Zero Trust World." Attendees can expect practical, real-world insights into implementing least privilege access, reducing risk from overprovisioning, and supporting Zero Trust initiatives across cloud and on-prem environments.

> We're excited to bring Austin's security and infrastructure community together for a candid conversation on what it really takes to operationalize Zero Trust."
>
> *John Martinez, StrongDM tech evangelist*

The Lunch & Learn is free to attend and includes a full plated lunch, courtesy of StrongDM and event co-host, EncoreCyber. Advanced registration is required due to limited seating, and is reserved for individuals in IT and security positions at enterprise organizations.

Register for the Lunch & Learn at https://www.strongdm.com/events/local/austin

"We're excited to bring Austin's security and infrastructure community together for a candid conversation on what it really takes to operationalize Zero Trust," said John Martinez, StrongDM tech evangelist. "There's nothing better than sharing knowledge, good food, and meaningful connections all in one place."
