Casa Beauty, one of Singapore's most beloved boutique facial salons, proudly announces the grand opening of its second outlet in Toa Payoh, just a 5-minute walk from Braddell MRT. This marks an exciting new chapter for the Tampines-rooted brand, long trusted for its personalised facials, "one session is all it takes" skin tag removals, and award-winning skincare solutions.

With this expansion, Casa Beauty brings its signature warmth, expertise, and premium service offerings to residents of Toa Payoh and neighbouring Bishan. At the heart of the new location is a strong push into next-generation, non-invasive aesthetic skincare—particularly Fusion Meso skin boosters for the face, hair, and body, with a special focus on the breakthrough formula F-XFC for total skin rejuvenation and glow.

A 22-Year Legacy, Now in Toa Payoh
Founded in 2003, Casa Beauty first established its name in Tampines as a hidden gem for those who value quality, consistency, and real skin results. Over the past two decades, the salon has built a loyal clientele who see Casa as more than just a beauty destination—it's a community.

Known for its long-serving therapists, intimate cabin setups, and use of luxury European skincare brands like JYUNKA, Maria Galland, Inspira, and Meso Fusion, Casa Beauty has stayed true to its core values: excellence, honesty, and a deeply personal approach to skincare.

Now, with the opening of Casa Beauty Toa Payoh, this tradition of care continues.

Spotlight on Fusion Meso: Skin Boosters for Face, Hair & Body

Casa Beauty Toa Payoh is proud to be among the first salons in the heartlands to offer Fusion Meso's high-performance skin booster range, especially the F-XFC vial. Designed to rival injectables, Fusion Meso treatments use gentle meso-needling and powerful peptide cocktails to target ageing skin, dullness, fine lines, and hair loss — all with zero downtime.

Singapore’s Trusted Name in Skin Tag Removal

Alongside facials and boosters, Casa Beauty has also built a reputation for scar-free, gentle skin tag removal, which is now available at the Toa Payoh branch. With nearly 20 years of experience in removing skin tags across delicate areas — including the eyelids, neck, inner thighs, and underarms — the team performs this treatment daily with a focus on comfort and visible clarity.

A Beauty Salon That Feels Like Home

What sets Casa Beauty apart — and what Toa Payoh residents can now experience — is the people-first culture. Many of the therapists have been with Casa since their teens, growing alongside clients, learning from master therapists, and upgrading their skills through international beauty diplomas and technology masterclasses.

To mark the Toa Payoh opening, Casa received an overwhelming outpouring of support from regulars and partners alike. Dozens of flower stands lined the entrance, including messages from long-time customers, local professionals, and beauty associations — a testament to the trust built over decades.
