

Monterey Technologies, Inc. Announces Management Buyout

Monterey Technologies announces management buyout led by existing leadership. Mission-critical design work and team remain the same.

UT, UNITED STATES, July 15, 2025 /EINPresswire.com/ -- [Monterey Technologies, Inc.](https://www.einpresswire.com/monterey-technologies-inc) (MTI), a leading user-centered engineering firm providing human factors engineering, user experience, systems engineering, and software development solutions for mission-critical systems, announced today the completion of a management buyout (MBO) of the company. The transaction, effective July 15, transfers ownership to a syndicate of current employees, led by the company's existing management team.

"We are thrilled to embark on this new chapter for Monterey Technologies, Inc. This change in ownership is a seamless event for our teammates, our partners, and our customers while allowing us to reaffirm our commitment to delivering world-class, user-centered solutions and improved capability to our customers," said [Doug Cherry, MTI CEO](#). "MTI will continue to maintain the high standards our clients and partners have come to expect over the last 40+ years. We are excited about the future of MTI and the opportunities this ownership transition creates."

About Monterey Technologies, Inc.

MTI is an engineering and design firm specializing in human factors engineering, user-centered design, systems engineering, and advanced UX/UI software solutions for complex, mission-critical systems. With a proven track record of delivering exceptional solutions to customers across the Department of Defense, aerospace, and other critical industries, MTI empowers our customers with intuitive, reliable, and effective technologies.
