

# ZuCot Gallery Announces New Exhibition: 'Dear Black People: A Love Letter' Opening July 25, 2025

ATLANTA, GA, UNITED STATES, July 11, 2025 /EINPresswire.com/ -- ZuCot Gallery proudly announces its upcoming exhibition, Dear Black People: A Love Letter, opening July 25, 2025 from 6 – 10 PM EST, in the heart of Atlanta. This powerful new show is born from love—a radiant, unapologetic, deeply rooted love for Black people and Black culture.

Dear Black People: A Love Letter arrives at a pivotal moment, offering a space for reflection, affirmation, and celebration. In a time when the weight of injustice and division continues to press down on our communities, this exhibition serves as a love letter. A reminder. A reflection. A call to remember who we are, who we've always been, and who we continue to be.

## Exhibition Concept:

This show invites artists to center Black joy, resilience, beauty, culture, and creativity. It is not a dismissal of pain—but a defiant focus on the light that persists in spite of it. Our collective story is not solely one of struggle. It is one of survival, innovation, laughter, excellence, and unshakable spirit. Through this exhibition, we aim to reassert that no matter the climate of the country, no matter the weight of the moment, we remain whole. Our joy is not a privilege; it is a right. Our creativity is not a trend; it is legacy.

## Featured Artists:

- Aaron F Henderson
